

Size and Colour Guide

All of our measurements are based on actual "To Fit" body sizes and not the size of the actual garment itself e.g. a polo shirt with a chest to fit size of 92-97cms / 36-38" will fit someone with similar chest measurements; trousers with a waist to fit of 44cms / 34" will fit someone with similar waist measurements etc.

To help you select the most appropriate size of garment(s) please refer to our measuring tips below.

Measuring Tips

Chest

Men: measure around the fullest part of the chest, 2.5cms below the underarm area **1**

Women: measure around the fullest part of the bust and across the shoulder blades **1**

Children: measure under the arms around the fullest part of the chest **1**

Collar

Men: measure around the base of the neck **2**

Waist

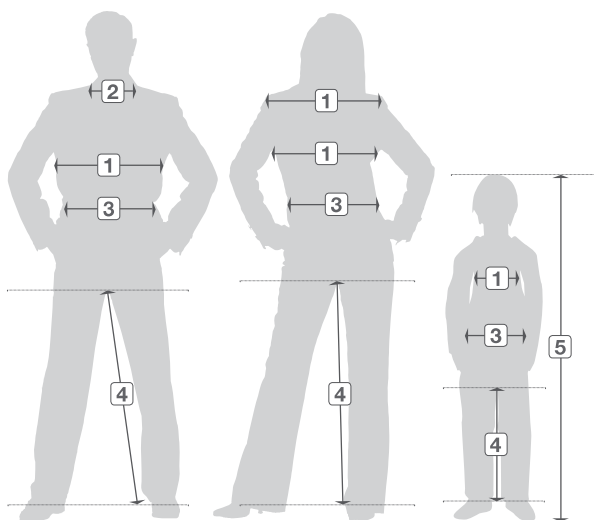

All: measure around the natural waist, ensuring the measuring tape is kept taut **3**

Leg Length

All: measure from the top of the inside leg at the crotch down to where trousers are normally worn with shoes **4**

Height

Children: standing still, with feet together and flat on the floor, measure from the top of the head to the ground **5**
